

State Availability

Currently, we ship to all 50 states, but it is up to the customer to ensure our products are legal in their local area.

Due to the dynamic and ever-changing nature of hemp-related laws across different states and at the federal level, we, The Human Condition Shop, cannot guarantee the legality of our products in every jurisdiction. As such, it is the responsibility of the consumer to ensure that they are legally permitted to order and receive our products in their respective location. We cannot keep track of the intricacies of each local jurisdiction, and any legal risks associated with the purchase and shipment of our products lie solely with the consumer.
